

LUNCH BITES

Earth Day

Earth Day is a day that was created to promote awareness and appreciation for the Earth's environment and occurs each year on 22 April. Earth Day is the largest, most celebrated environmental event worldwide. There is no governmental agency that is in charge of Earth Day, but many local and non-profit groups throughout the world help to organize events and activities. Most schools have activities planned for Earth Day to help children realize how important it is to take care of the environment.

Hey Kids!

LUNCH BITES

Ruby Finds A Worry

**A Read Aloud Written and Illustrated
by Tom Percival**

Meet Ruby--a happy, curious, imaginative girl. But one day, she finds something unexpected: a Worry. It's not such a big Worry, at first. But every day, it grows a little bigger . . . And a little bigger . . . Until eventually, the Worry is ENORMOUS and is all she can think about.

Hey Kids! Follow along as Ruby finds how to get rid of her big WORRY!

LUNCH BITES

Peas

Fun Facts about Peas:

- Peas are most commonly green. They can also be yellow or purple.
- Thomas Jefferson grew more than 30 varieties of peas on his plantation.
- These sweet vegetables are high in fiber, protein, vitamin B, and vitamin C.

Hey Kids! Learn more about Oregon grown peas.

LUNCH BITES

Recycle To Save The Trees!

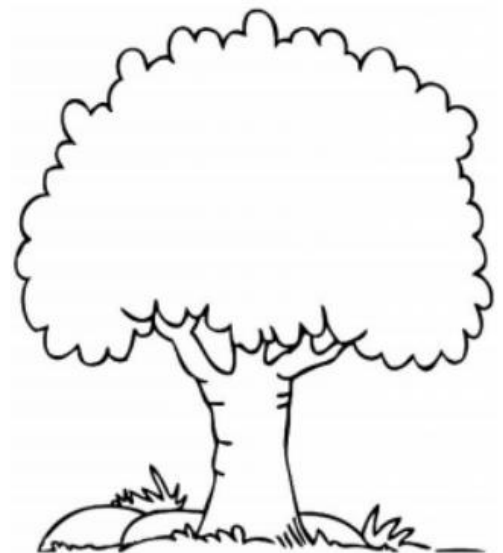

Did you know that by recycling 1 ton of paper, you can save 17 trees? That is about 2,000 pounds of recycled paper!

Trees are important because they produce oxygen for us to breathe, give nutrients to animals and plants, and help protect the Earth from pollution. Recycling can help us not waste our resources, and can help save the trees!

Learn more about the importance of trees.
