

Garden Grant Progress Report

Due: May 26th, 2023

Project Coordinator:

School/Organization:

- 1) What was your initial project?
- 2) Who was involved in the project? What were the roles of students, staff, parents, etc.?
Explain how your entire school/org may have benefited from this project?
- 3) How were grant dollars spent? What materials and or/services did you purchase with the funds?
- 4) What activities were completed?
- 5) How many students are participating in garden based lessons at your school? How has this grant (if at all) affected the quantity, quality, or type of lessons offered?
- 6) How many students, if any, received 10 or more hours of garden based education?
- 7) Were there any additional measurable results of the project?
- 8) What, if any, problems and/or challenges did you encounter in the project? How did you resolve those challenges?
- 9) How will this project be continued into the following school year and subsequent years?
- 10) Are there any additional anecdotes, stories, or student quotes that help illustrate student impact?
- 11) Do you have any feedback regarding the amount, deadlines, availability or timing of this grant?

*Please ***attach*** at least 3 digital photographs to the email for use on our website and social media! (Please do not embed them in the document, we often can't retrieve them. If photos include students, they must be students w/ photo release at school)

Email completed report & images by Friday May 26th, 2023 to denise@envirocenter.org
